Subject: Dear FCC Personnel,

Dear FCC Personnel,

The March 2000 Report and Order indicated a proposed national TRS outreach program. Nothing has been done for almost 2-1/2 years. I feel it is extremely important to educate the public on TRS to increase awareness. Many businesses out there are not aware of TRS and tend to hang up on us. It is frustrating for our community and the outreach program is definitely a win-win situation for all of us. I would appreciate for the FCC to make an action on this and get the program implemented.

Sincerely,

Edward Kinal
